NEW YORK and Gurgaon, India, July 22, 2016 /PRNewswire/

Terrapin 3 Acquisition Corporation (NASDAQ: TRTL, “TRTL”) today announced that, in connection with the July 19, 2016 approval by TRTL stockholders to extend the date by which it must complete a business combination (the “Extension”), holders of approximately 11.3 million public shares in TRTL validly tendered their shares for a pro rata portion of the cash held in TRTL’s trust account in connection with the Extension as of 4:00 pm (EST) on Thursday, July 21, 2016, the latest time at which TRTL shareholders could elect to withdraw their redemption elections.

TRTL obtained the Extension in order to allow more time to complete its previously announced business combination with Yatra Online, Inc. (“Yatra”), the fast-growing online travel agency based in India. While the Extension allows TRTL until December 19, 2016 to complete the business combination, TRTL anticipates closing the proposed business combination on or before October 30, 2016.

A total of approximately \$99.4 million remains in TRTL’s trust account which, together with \$20 million from a forward purchase contract with an affiliate of Macquarie Capital, results in \$119.4 million available to satisfy the terms of the proposed business combination with Yatra in addition to any new equity securities that might be issued in connection with this transaction.
